

NUMINUS

Fundamentals Practice Groups

In this document, you will find your assigned breakout groups. You should meet with your group members at a time that fits in the window or an alternate time that works for you. It is recommended to meet over Zoom or another video conferencing platform. If you don't have access to a Zoom account, you can create a free account on their website. If you have any questions, don't hesitate to email us at training@numinus.com.
